Accra – Ghana

PRESS RELEASE

FOR IMMEDIATE PUBLICATION

18TH NOVEMBER 2025

EMERGENCY SHUTDOWN OF WEIJA TREATMENT PLANT

The Management of Ghana Water Ltd. (GWL), Accra West Region, would like to inform the public of an emergency shutdown of the Weija Treatment Plant for urgent repair works.

As a result, water supply would be interrupted from 12:00 p.m. to 6:00 p.m. on Tuesday, 18th November 2025.

The affected areas include:

Korle-Bu, Dansoman, Mamprobi, Parts of Weija, Gbawe, Malam, Anyaa, Kwashieman, Ablekuma, Darkuman. Kaneshie, Tesano, Odorkor, Sowutuom, Lapaz, parts of Achimota, North Industrial Area, and adjoining communities.

Our Engineers are on-site, working hard to ensure that the work is completed on schedule. We regret the inconvenience caused.
